MAN SHOT AFTER FIRING AT POLICE

A 29-year-old male was shot by a Milwaukee Police Officer on Thursday, September 1, 2005 after he shot at the officer during an armed robbery/shots fired investigation. The injuries were not believed to be life threatening.

At 1:25 a.m., a man hailed a Milwaukee Police squad at N. 95th St. and W. Carmen Ave, informing the two officers inside the car of an armed robbery in progress in the 5700 block of N. 94th St. While giving information to the officers, the officers heard the sound of shots coming from the location of the robbery.

Both uniformed Milwaukee Police Officers got out of their marked squad and approached the area on foot. One of the officers observed a 29-year-old man still at the location of the alleged robbery. While the officer was identifying himself as a Milwaukee Police Officer, the man turned and shot at the officer. The officer immediately returned fire striking the man. The man who was shot was in stable condition early Thursday morning at a local hospital.

No one else was injured in the incident.

The Milwaukee Police Officer involved in the shooting incident is a 34-year-old male with nearly three years of service. The officer was in uniform in a marked squad and is assigned to District 4.

The incident is under investigation by the Milwaukee Police Department and the Milwaukee County District Attorney's Office. As is standard operating procedure, the Officer was placed on administrative duty pending the completion of the investigation.
